

Puzzled by **OBSOLESCENCE?**
let **SARNOFF** be your **solution**

Plagued by EOL notices? Solve them with the only solution that offers a continuing source for the life of the system. Sarnoff's emulation products have a long-standing reputation for solving our customers' obsolescence challenges.

Sarnoff has new emulation capabilities. To learn more about our new products visit us at **DMSMS 2006**, July 10-12, Charlotte, NC – **Booth Number 404**. Conference information can be found at: www.ndia.org/Template.cfm?Section=6640

Visit www.gemes.com/puzzle to learn more about Sarnoff's new capabilities
